# 2019 Kickoff Event

## **What is the Kickoff Event?**

The kickoff event is the day that all the FIRST Teams in the World will learn about this year's Robot Challenge. This will be the release of all the game documentation, animations, filed requirements, Kit of Parts (KOP), and the start of the 6-week journey to build a competitive robot for the FIRST Robotics Competition (FRC).

## **Who should attend the Kickoff Event?**

All Students and Mentors on the team or interested in team should attend the Kickoff Event. Parents and Volunteers are also encouraged to attend with the team.

## **When and Where is the Kickoff Event?**

Allendale High School, Fine Arts Center and Room 213 (afternoon)  
Saturday, January 5<sup>th</sup>, 2019

## **What is needed for the Kickoff Event?**

Nothing, just you!

## **Kickoff Event Agenda**

9:30 am – All Team members, mentors, volunteers, and parents  
(Team building, information, etc)

10:30 a.m. – Kickoff Broadcast from New Hampshire and the Game Announcement

12:00 pm – Lunch will be provided by Team

(We will provide lunch for the day – Pizza- , if you want to bring any snacks to share we would appreciate that also since it will be a long day and a little extra energy is always good. Also, if you have any food allergies or special needs please let us know and we will work to accommodate it.)

5:00 pm – Finish or Continue? Up to the team.

(If we go past 5, which is fine with us, we may ask if anyone would be willing to help bring in some snacks or food for the remaining team members. The more we can get done on Saturday the further ahead we will be for the 6 week build season.)
