

# SONICS SHOUTOUT WORLD CHAMPIONSHIP

## Day 1

Thursday was the first day of qualification matches! Even though our data said we had the 5<sup>th</sup> hardest schedule on our field, we didn't let that stop us.

## Day 2

Friday was our 2<sup>nd</sup> day of qualification matches! We played in 5 matches and were 1 point shy of setting the new high score on our field. After matches concluded, we finalized a pick list from our scouting data.

## Day 3

We took all our scouting data and went right into alliance selections bright and early on Saturday. With a win-loss ratio of 7-3, we were the 1<sup>st</sup> pick of the 7<sup>th</sup> alliance captain out of 78 teams! Our alliance made it to the semi-finals and was eliminated in the lower bracket.

## Thank you, sponsors!

We wouldn't have been able to do this without your support this season! You are helping countless K-12<sup>th</sup> students learn more about S.T.E.A.M every day by supporting our program and we are incredibly thankful for all you do for us.

A special thank you to those who made a secondary donation to help send our team to the World Championship!

- Standale Lumber
- JR Automation
- West Michigan PMA
- E3 Integrated Engineering
  - BizStream

## Interested in sponsoring?

Our program is always welcoming new sponsors! If you think this is something your organization would consider, contact us at [sponsorship@allendaleroobotics.com](mailto:sponsorship@allendaleroobotics.com) or scan the QR code for more details.
