

SONIC SHOUTOUT Event 2

The TriSonics made it to the Semi-Finals at our second event!

At the West Michigan District Event, the TriSonics made it to the semi-finals and won the Autonomous Award.

Pictured above The TriSonics after winning the Autonomous Award.

Day 1

Qualification matches began Friday morning and at the end of the day, the TriSonics were ranked #2 with a record of 8-1. The Chairman's team, pictured to the left, presented to the judges about our team and how we are involved in the community.

Day 2

At the end of qualification matches, the TriSonics were ranked #4, having won 9 matches and lost 3. We were selected for Alliance Selection by the number 2 alliance captain. With the help of 107 Team R.O.B.O.T.I.C.S., and team 7054 the SC Sailors, we made it to the Semi-Finals before losing to the soon-to-be tournament champions. In addition, the TriSonics also won the Autonomous Award which celebrates the team that has demonstrated consistent, reliable, high-performance robot operation during autonomously managed actions. Evaluation is based on the robot's ability to sense its surroundings, position itself or onboard mechanisms appropriately, and execute tasks.

Next up - FRC State Championship

Our next event is the State Championship at Saginaw Valley State University from April 11-13! The event will be streamed if you are interested in watching it, or come on over to the East Side of the state!

Thank You 2018-19 Sponsors!
